

# SPARKLIGHT TV Quick Start Guide

Make the Switch Easy with a  
**Sparklight TV Streaming Device** ↘  
or use your personal, compatible streaming device.

## Getting Started:

Have an active Sparklight Internet service and an active accessible email address.

If your SmartTV is not compatible, lease a Sparklight TV streaming device or purchase a compatible streaming device. Be sure your TV and streaming device have matching components to connect.

Verify the TV is compatible for a streaming device, and has an HDMI port available.

Have the WiFi username and password at hand to connect your device to WiFi.

Subscribe to Sparklight TV service by contacting Sparklight at 877-687-1330, or go to [sparklight.com](http://sparklight.com)

## Download the Sparklight TV App:

Sparklight TV Streaming device comes with the Sparklight TV app installed. Other streaming or mobile devices require downloading the Sparklight TV app from the Amazon, Apple or Google Play store.

available at  
**amazon appstore**

GET IT ON  
**Google Play**

Download on the  
**App Store**

Once you are in the app store, search for "Sparklight TV", and select "download". After the app is installed, you'll be able to see it on your device.

## Signing into Sparklight TV App:

Your username is the email address you provided when signing up for your Sparklight TV Service.

Your password is what you entered in the Sparklight TV activation email.

### A STRONG WIFI SIGNAL IS IMPORTANT!

Sparklight TV is an app-based video platform that works over the internet. Because of this, the internet speed you subscribe to along with the wireless signal strength in your home are very important to the quality of your experience with Sparklight TV.

For additional questions or assistance with Sparklight TV, call us at 877-687-1330 or go directly to our webpage: [www.sparklight.com/about-sparklight-tv](http://www.sparklight.com/about-sparklight-tv). For Sparklight TV support go directly to: <https://support.sparklight.com/>.
