## **Description of Recruitment Initiatives Undertaken in This Reporting Period**

*(The below recruitment initiatives are applicable to all reported business units.)*

1) Following successful completion of the mandatory Basic Electricity course, a field training for a Senior Field Technician position. Successful completion of in-house training by the company provide opportunities for associates to qualify for higher level positions which would be considered for positions as they become available.

2) To ensure field technical, office, and sales associates are made aware of promotion and advancement opportunities. Employees also have the option of signing up for positions for which they're interested.

3) All associates are provided online training opportunities through an e-learning platform that provides the training needed for their advancement and development.

4) All positions available to external candidates are posted on cableone.net.

5) Recruiting sources used include the following:

- Department of Economic Security
